DECLARATION OF OLEG PIANYKH

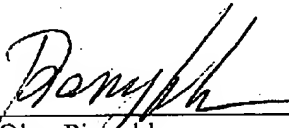

I, Oleg Pianykh, declare as follows:

I am an inventor in the above referenced patent application.

Prior to May 7, 1999, I reduced to practice in the United States a program for the magnifying window invention recited in the pending claims of the present application.

Attached as Exhibit A hereto is a print-out of the source code listing of the program which implements the magnifying window invention. The pages in Exhibit A are not continuous because many routines in the source code not related to the pending claims have been removed. This source code was written and executed on a computer prior to May 7, 1999, wherein the source code successfully implemented the claimed magnifying window invention.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Oleg Pianykh
